

SUPPORT FOR FIRST RESPONDERS

We've Got Your Back

First responders face multiple unique and stressful circumstances that can affect your life and your family. Revive offers specific services to address your needs, and has worked with first responders, civilians, and family members for more than 40 years. **All services are 100% confidential.**

Specialized network	Providers experienced with the issues firefighters and their families face every day. We prioritize EAP counselors who are also in-network with your medical plan, for continuity of care.
Certified financial coaches	Objective, confidential guidance for debt counseling, retirement planning, or improving your credit.
Legal help	Speak confidentially with a local attorney about family law, real estate, civil matters, plus a Will Kit Questionnaire and online legal tools.
Childcare and eldercare resources	One quick outreach. We do the research and send options back within two business days.
First responder self-help resources	Assessments, videos, and interactive tools at canopy.myrevive.health — register and open the "First Responder" tile. Topics: mental health, PTSD, stress, substance abuse, suicide prevention, family life, and finances.
